

UPS INTEGRATION IN MOD2

Do you ship with UPS? Do you want it integrated in MOD2?

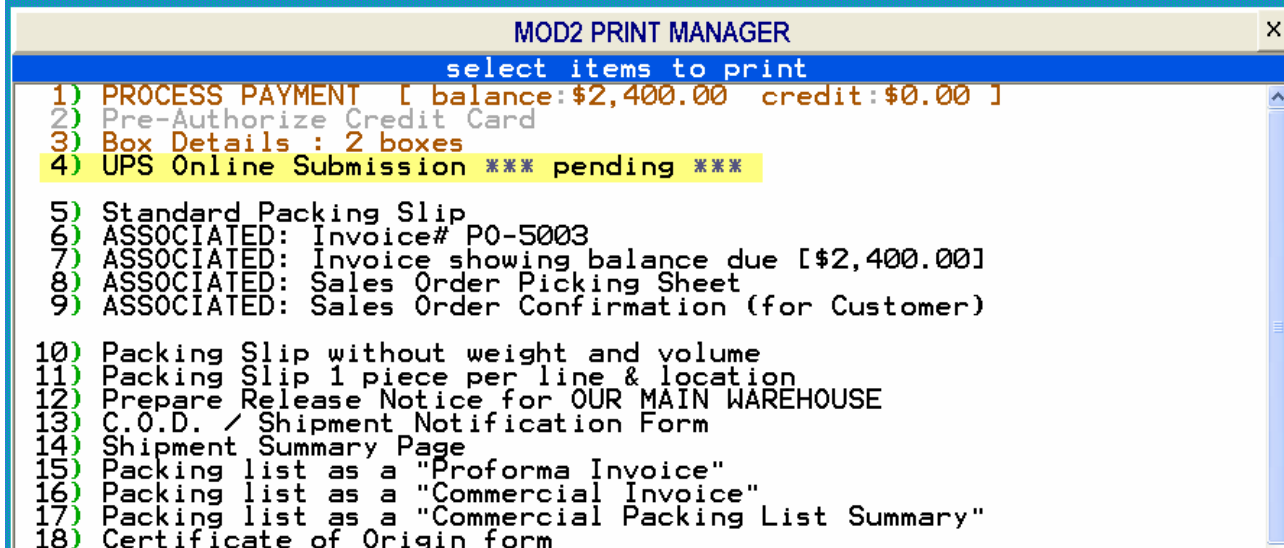

This feature eliminates using the UPS Worldship and avoids double entry. The Tracking numbers will be all in Mod2 as well and can be reviewed or submitted to your customer for tracking purposes.

The UPS Submission screen can be accessed in a few ways;

1. After creating a Packing List (F9 > F1 > Enter packing info > Mod2 Print Manager)

PACK LIST # PO-5004 / Stay Cool Inc.
